

EQUAL OPPORTUNITIES POLICY

is an equal opportunities employer and training organisation. The company wholeheartedly supports equal opportunities in employment and the provision of training and opposes all forms of discrimination.

Every possible step will be taken to ensure that individuals are treated equally and fairly and enabled to participate in the training we provide to the fullest.

We gather information about individuals prior to attending a course to ensure that we are able to provide them with the opportunity to learn in a positive, enabling and non-discriminatory environment.
